

Design your own Parklet of Possibilities

A parklet is a reclaimed parking space that has been transformed into a space that everyone can enjoy. The possibilities are endless - what will your parklet look like? Draw your Parklet of Possibilities and once you're finished, take a photo and show us your design on social media using the hashtags or email hello@ourstreetschorlton.co.uk. Our favourite three will be given a £20 voucher to use in Chorlton shops.
